

Victoria Harbour Festival

The Victoria Harbour Festival gives local and visiting artists and performers the opportunity to share their craft in the heart of Victoria.

ARTISTS: Original, self-made artwork is permitted for show and/or sale. Artists are encouraged to create their art while on the Causeway.

MUSICIANS: We welcome Monteverdi to Metallica so long as it's kept unplugged. Individuals and ensembles are invited to apply to perform at the Causeway. Designated busking venues are available for two hour sets for individual and ensemble performances.

JUGGLERS: Family-friendly performances have become a staple of the lower Causeway's daily events. Forty-five minute show slots are available at the centrally located world class Jugglers' Pitch, which has built-in seating on the lower Causeway and great views from the Government Street wall.

FOOD VENDORS: Designated venues are available for vendors of good, fast and affordable food. Please visit our website to view the [Food Vendors Application Policy](#).

THE INNER HARBOUR

GVHA reserves the lower Causeway in the Inner Harbour for 24 full-time visual artists, 24 full-time musicians and 9 full-time street performers and offers 1 full-time musician venue at both Fisherman's Wharf and the Wharf Street Pier. All full-time licensees are guaranteed venue availability between 10:00am and 11:00pm. If a licensed artist or performer is not available on certain days that position on the causeway will be given to other artists and performers.

Visual artists and vendors are provided with a permanent venue location, whereas performers collectively schedule their daily and weekly venue rotation.

SHIP POINT NIGHT MARKET

Single Night \$40 (incl HST)

Two Nights \$70 (Incl. HST)

Full Weekend \$100 (incl. HST)

The Ship Point Night Market offers a unique collection of art and music every Thursday, Friday and Saturday night (except on the BC & Labour Day long weekends & weather permitting). From 7:00pm to 10:30pm. GVHA prides itself in presenting a more diverse cross-section of the national - occasionally international - arts community. We invite both local and visiting artists, musicians and performers to join the troupes on the busiest nights in the Inner Harbour. Night Market licenses are issued on a weekend to weekend basis and no preference to seniority or locale is taken.

Set-up begins at **4:00 pm**; sales and performances begin at **7:00 pm**. All displays, tents, tables, and other necessary equipment must be supplied by the participant. GVHA strongly recommends that all participants bring their own lighting (100w) and 25 foot extension cord in order to stay visible during the later hours. Completed registration forms and payment must be received by GVHA one week prior to the desired weekend of attendance. See website for Night Market application form.

HARBOUR DAYS MARKET

Per Weekend \$336 (incl HST)

The Ship Point Night Market expands into the Harbour Days Market and runs over the 3 long weekends during the summer of 2011; Canada Day (Thursday Jun 30 - Sunday Jul 3); BC Day (Friday Jul 29 - Sunday Aug 1) and Labour Day (Friday Sept 2 - Monday Sept 5). The BC Day long weekend corresponds with the Victoria Symphony Splash which attracts thousands of locals and tourists. On the Labour Day long weekend, Classic Boats fill the harbour adding to the festivities. Throughout these weekends, vendor tents can be left up overnight with security provided. Set up begins at **4:00pm** and take-down is at **5:00pm** on the final day. Applications to participate in the Harbour Days Market can be found at www.victoriaharbour.org

SAFETY The Commissionaires provide security during the Victoria Harbour Festival and Ship Point Night Market. The Inner Harbour is monitored to ensure that licencees are free to con-

Victoria Harbour Festival Application Form

APPLICATIONS & JURIES In order to participate as a musician, juggler, or an artist at the Victoria Harbour Festival this application form must be completed and submitted to Greater Victoria Harbour Authority with a brief curriculum vitae. Artists are asked to provide a description, sample or images of the type of artwork wished to be displayed. An outline of performance type, length and repertoire is required from all performing applicants; sample scripts or audio/video recordings may be included, but are purely optional. Jury dates for Performers & Musicians will take place mid April 2010. Artist will be juried the third week of May 2010.

Juries for annual license applicants are conducted by representatives appointed by Greater Victoria Harbour Authority to evaluate both the merit of the applicant and how he/she will fit into the established market atmosphere.

Application forms are also available on our website at www.victoriaharbour.org. Completed application forms are to be returned to the Victoria Harbour Festival Coordinator or to the GVHA office.
